The *Central District Drift Gillnet Fishery Management Plan* 5AAC 21.353 states that from July 16 through July 31, at run strengths of 2,300,000 to 4,600,000 sockeye salmon to the Kenai River, fishing during one regular 12-hour fishing period per week will be restricted to either the Expanded Kenai and Expanded Kasilof Sections of the Upper Subdistrict or Drift Gillnet Area 1.
